Please be sure your dues accompany your form, as well as a signed Waiver and Release of Liability form.

VOLUNTEER HOURS

A lot of time and effort goes into coordinating and carrying out the events that make our club so great. In order to maintain this level of service to our members, we need volunteers at different times during the year. This membership year (July 1, 2013 – June 30, 2014), each family will be required to log ten hours of volunteer time for the club.

Opportunities to volunteer could include:

- Serving on the Board
- Bringing food for the hospitality room for judges and coaches
- Multiple opportunities helping out at ice shows, exhibitions, test sessions, and competitions
- Mentoring new members/skaters
- Coordinating fund raisers

At the end of the year, any family that has not reached the mandatory 10 hours of volunteer time will be assessed an additional fee of \$10/hour. Until this fee is paid, the members will not be in good standing with OKCFSC. Any family may opt out of volunteering at the beginning of the year by paying an additional \$100 with their membership renewal.
